Iowa DOT	
Agreement No.	<u>2019-C-151</u>
Staff Action No.	<u>N/A</u>

This Agreement, is entered into by and between the Iowa Department of Transportation, hereinafter designated the "DOT", and Appanoose County, Iowa, a Local Public Agency, hereafter designated the "LPA" in accordance with Iowa Code Chapters 28E, 306, 306A and 313.4 as applicable;

- b. Upon completion of construction, the LPA agrees to accept ownership and jurisdiction of the following referenced improvements. The LPA shall also assume responsibility for all future maintenance operations associated therewith, all at no additional expense or obligation to the DOT:

- i. Paved fillets will be constructed at the following locations (see Exhibit A):

**2. Project Costs**

- a. The LPA shall reimburse the DOT for its share of the project costs estimated at \$16,900, as shown in Exhibit B. The amount paid by the LPA upon completion of construction and proper billing by the DOT will be determined by the actual quantities in place and the accepted bid at the contract letting.
- b. The DOT will bear all costs except those allocated to the LPA under other terms of this Agreement.

### **3. Traffic Control**

- a. Iowa 5 through-traffic will be maintained during the construction.

The DOT will work in close cooperation with the LPA and the contractor to accommodate emergency services and local access across the project during construction. Any detours which may be necessary for project related LPA road closures will be the responsibility of the LPA all at no expense or obligation to the DOT.
- c. If this project causes the temporary closure of a road during construction, the DOT shall meet with the LPA to determine whether said closure(s) will cause increased traffic on other LPA roads. The DOT and the LPA shall determine a plan, and the costs thereof, for the LPA to perform dust control on said LPA roads with increased traffic, should dust control become necessary. In that event, the LPA shall inform the DOT prior to performing said dust control. The DOT shall reimburse the LPA for the cost of said dust control measures following the receipt of a bill for the agreed upon costs (see Iowa Code section 313.4 subsection 1.b.).

### **4. Right of Way and Permits**

- a. The DOT will be responsible for the coordination of utility facility adjustments for the primary road project.
